

WHATELY OSTP NEWSLETTER

September 2017

Dear Families,

Welcome back. I hope everyone had a great summer and you were able to spend quality time with friends and family.

The OSTP is off to a great start and we are slowly getting back into our normal routines. To ensure our program runs smoothly, please follow a few important rules. For the safety of your child, please walk them into before school and sign them in. We also require a sign out signature at pick up from after school. We close promptly at 5:30 and late fees will apply if picked up late.

We have welcomed a lot of new faces into the before and after school programs. Seven kindergartners as well as

Several children in the upper grades. We are getting to know each other by playing games, doing crafts, and sharing stories.

Registrations for the fall enrichment programs have already been sent home with your child. This session we are offering, “The Art of Gift Giving,” with Tammy Thompson and “Knitting and Crochet,” with Linda Forget. If interested, please return form by September 28th.

As always, please feel free to contact me with any questions, comments, or concerns.

Thank you,
