

Union #38 Out-of-School Time Programs
Sunderland Fall Enrichment Programs
Program Dates: October 10, 2017 to December 7, 2017

Dear Families,

We are pleased to announce a number of exciting enrichment programs available to the students in Sunderland. Enclosed you will find general information, program descriptions, and registration materials for the **Sunderland Elementary Fall Enrichment Series**.

Workshop Dates: Enrichment programs are offered in two separate sessions each year (Fall & Spring) and run for eight weeks. The **fall session** will run eight weeks, from **Tuesday, October 10th through Thursday, December 7th**. Registration forms must be returned on or before Tuesday, September 28th. **Programs are first come first serve.**

Programs do not meet on full In-Service Days, vacations, or when school is cancelled. Please make all efforts to arrange pickup so your child is present for the entirety of each class. Children must be signed-out with an after-school staff member; enrichment instructors do not have sign-out sheets. Please call the program, 665-9030, or send a note if your child will not be attending.

Cost: Program rates are calculated to cover instructor fees, supplies, snack, and additional after-school staff necessary due to increased participant numbers before and after enrichments. Fees are listed on the attached registration form. A check for the enrichment fee, made **payable to the "Town of Sunderland"**, is due with registration.

Sunderland After-School Program participants may participate in enrichments offered on their regularly scheduled days for a lesser fee, applied to enrichment expenses. You will be contacted only if a desired workshop is full and placed on a wait list, or if low enrollment has resulted in a program cancellation
